1. General Notice

- 1.1 These Standard Terms and Conditions of Sale (“**Conditions**”) govern any purchase of any products, goods or materials (“**Products**”) supplied from **Coval Group Pte. Ltd.** (together with its successors, affiliates and subsidiaries, “**Seller**” or “**us**”) by or to the purchaser (together with its successors, affiliates and subsidiaries, “**Purchaser**” or “**you**”). Each of the Purchaser and the Seller is sometimes referred to in these Conditions as a “**party**” and collectively as the “**parties.**”
- 1.2 If a written supply or distribution agreement is executed by the Purchaser and the Seller, then that agreement will supersede these Conditions to the extent of any conflict or inconsistency with these Conditions. If no written supply or distribution agreement is executed by the parties, these Conditions, along with the provisions contained within the Seller’s invoice, constitute the final, entire and exclusive agreement between the parties concerning the sale of Products by the Seller to the Purchaser, and supersede all prior oral and written agreements and understandings (whether express or implied, including those implied by law, through usage of trade, course of performance or course of dealing).
- 1.3 Except as provided for in these Conditions, any attempted modification of these Conditions by the Purchaser, and any additional or different terms included in the Purchaser's purchase order or other document submitted by the Purchaser to the Seller are rejected (even if such purchase order or other document is accepted by Seller). Any modification or addition to these Conditions must be in writing and signed by authorized representatives of both the Purchaser and the Seller.
- 1.4 The Purchaser’s acceptance, payment for, or use of Products delivered by the Seller constitutes its acceptance of these Conditions. The Seller reserves the right to reject any purchase order for Products submitted by the Purchaser.
- 1.5 The Products shall not be modified without the express written permission of the Seller. If the Purchaser or any other person, entity or user makes any such modification without the express written permission of the Seller, the limited warranty provided is invalidated.

2. Pricing

- 2.1 Prices for any Products supplied by us shall be the prices set out on the Seller’s price list in effect at the time the order is made by you and confirmed or accepted by the Seller, unless otherwise agreed to in writing by the Seller and the Purchaser.

- 2.5 All prices are subject to change by the Seller without notice.
- 2.6 If the Purchaser requires permits to use the Products, then the cost for those permits shall be the sole responsibility of the Purchaser.
- 2.7 The Purchaser may cancel a purchase order which has been accepted by the Seller only with the prior written consent of the Seller, which the Seller may withhold in its sole and absolute discretion. While in no way limiting the generality of the foregoing, cancellations are prohibited once the Products have been shipped and for custom made Products that have already been made or are in the process of being made. All approved cancellations will be subject to the payment by the Purchaser of a cancellation fee in the amount of 25% of the amount that otherwise would have been invoiced under the canceled purchase order.

If the Purchaser cannot, or, without cause, does not, take delivery of the Products, the Seller may in its sole discretion ship the Products to a third-party warehouse for

Upon receipt of such a notice, the Seller will be afforded a reasonable opportunity to investigate the claim, conduct a root-cause analysis (if required) and, if the alleged deficiency contained in the claim is confirmed by the Seller, to correct the deficiency or repair or replace, at the Seller's option, the non-conforming Products.
